

## Community Futures Sponsorships Fund

### Program Overview

Community Futures' Sponsorships Fund provides up to \$500 in funding for projects or events that:

- Align with Community Futures Strategic Priorities.
- Provide marketing and promotional opportunities for Community Futures.

### Eligible Organizations

Incorporated not-for-profits and Band governments are eligible for funding. For-profit organizations may be eligible where the project intent is to benefit a group of businesses (i.e. sector development).

### Application Instructions

1. Save this file to your computer. Saving the file will allow you to protect your work in progress, share the file with others for editing, and complete the application over more than one session.
2. Feel free to connect with our General Manager, Greg Lawrence to discuss your event and get feedback on your application.

You can contact Greg at 250-985-1831 or [greg@cfquesnel.com](mailto:greg@cfquesnel.com).

3. E-mail your completed application and any attachments to [greg@cfquesnel.com](mailto:greg@cfquesnel.com).
