Judges Card

Please give each Salsa sample a score of 1 (not good) - 5 (amazing) for each category.

| Salsa # | 1 | 2 | 3 | 4 | 5 | 6 | 7 | 8 | 9 | 10 |
|--|---|---|---|---|---|---|---|---|---|----|
| Appearance Attractive; neat; Good proportion of solids to liquid. Uniform pieces of same to similar size and shape. Bright colours, no separation. You can see different colours in the salsa (not like a red or green smoothie). Looks like you just want to dig into it! | | | | | | | | | | |
| Aroma The aroma of the different ingredients blends and is pleasing. The aroma will prepare your taste buds for salsa. Does it smell fresh and inviting? | | | | | | | | | | |
| Flavour & Texture Not mushy. Flavors blend and one ingredient doesn't overpower the others. Salsa should not leave a bad aftertaste. It leaves you wanting more. | | | | | | | | | | |
| Freshness Does it taste as if it was made with fresh ingredients and spices opposed to garlic powder, minced onion, etc.? Is it refreshing? | | | | | | | | | | |
